1. RIGA WATER SUPPLY HISTORY EXHIBITION

Sūkņu stacijas iela 14, Baltezers

The historical water pumping station "Baltezers" introduces visitors to the history of water management in Riga. The site can be explored on location from the outside.

2. BALTEZERS CHURCH

Baznīcas iela 1, Baltezers

The oldest and most important architectural monument of Ādaži. It was built between 1772 and 1775, but was severely vandalized during the Soviet occupation. Over time it was gradually restored to its current form.

3. GARDEN OF LIVING DREAMS

Gaujas iela 10A, Ādaži

A mini zoo in the center of Ādaži. It is based around the principle of direct contact, thus during summer children have the opportunity to pet, feed and get to know the animals closer. Entry by donation.

4. VĒJUPE AND ITS BEACH

Vējupes iela 2, Ādaži

One of the biggest oxbow lakes of the Gauja River. Cleaned, deepened and turned into an open water reservoir in the late 20th century. Nearby there are cafes, water sports equipment rental and wakeboarding.

5. THE ROAD OF BELLS

57.111517, 24.332346

A well-equipped place for walking and recreation on the left bank of the Gauja River between Carnikava and Ādaži. (Cars can be parked at the "Lietu tirgotava Ādažu novadā" parking lot)

6. THE MEMORIAL OF OJĀRS VĀCIETIS

Carnikava Cemetery, Sigulī

The famous Latvian poet is buried in the Carnikava Cemetery on top of Sigulī Hill. The memorial depicts a cross-section portrait the great poet. His partner L. Azarova is resting besides him.

7. FESTIVAL SQUARE

Stacijas iela 23, Carnikava

Features the sculpture "Remembering" by V. Titāns. Nearby is the Boat House, which is a Lutheran church and a stop on the Way of St. James. Next to it is the public art object "Carnikava" - a place for creative photos.

8. CARNIKAVA LOCAL HISTORY CENTER

Jomas iela 7, Carnikava

Preserves the history of Carnikava, local cultural heritage and fishing traditions. There are exhibitions and guided tours available, as well as an outdoor recreation area. Entrance is free of charge.

9. CARNIKAVA PROMENADE

Laivu iela 2, Carnikava

One of the longest paved promenades to the sea in Latvia. It stretches from Carnikava to the beach of the Gulf of Riga. Next to the promenade, there is a parking lot, cafes, boat and SUP board rental point.

10. FORMER SOVIET MILITARY TOWN IN MEŽGARCIEMS

Muzeja iela 6, Mežgarciems

The former secret base of the Air Defense Forces of the USSR. Today, some missile hangars, military buildings and other educational sights and objects remain.

11. GARCIEMS WOODEN WALKING TRAIL

57.108172, 24.192101

The trail starts at the Eimuri pumping station. On the left side of the trail, there are high hills reaching up to 15.6 meters above sea level. It is also convenient for families with strollers. Car parking is available.

12. THE DUNE OF ROSES

57.093167, 24.148378

Located near Kalngale railway station, it is a hill about one and half kilometers long. Its summit and slopes are covered with wild roses and lilies of the valley. It is particularly impressive in late spring and summer!

13. ESTUARY OF RIVER GAUJA INTO SEA

57.15867, 24.26442; Parking: End of Skautu iela (Gauja) or Laivu iela 32 (Carnikava)

The natural appearance of the Gauja River delta has been preserved to this day. **From May 1 to July 31, access from Carnikava is closed due to the nesting of protected birds.**

14. GAREZERI

57.165175, 24.305706 - Lilastes iela (starting point)

Garezeri are a chain of expressive lakes of unique geological origin in the coastal area of the Gulf of Riga. They are located in the territory of the Nature Park "Piejūra".
